

## CALL FOR ENTRIES

**Saturday**  
**13 MAY 2017**  
[www.scatfest.com](http://www.scatfest.com)

Submissions are welcomed for the upcoming Santa Cruz Arts & Technology Festival in the following categories: electronic gaming, robotics and drones, light-art & installations, animation, video, electronic & digital inventions, apps, etc. Student entries are encouraged.

Costumers, light artists and performers can apply to present on stage as well.

### ***Complete to submit your exhibit, project, gizmo, artwork or skill:***

- 1) Your Name, email address and best contact phone/text #
- 2) Describe what you want to contribute, create, demonstrate or share in a short paragraph
- 3) Brief statement of your relevant background and current company or organization affiliation (if student, state school & dept. or grade)
- 4) 2 or 3 images and/or short video as attachments (less than 15 MB total), if appropriate to your proposed contribution.

**Email above info asap (with ENTRY in Subject line ! ) to the director:**  
**[phoenixdrnow@gmail.com](mailto:phoenixdrnow@gmail.com)**

You will receive a reply shortly.

**Meanwhile join our Meetup and Facebook groups** to receive current festival info and updates:
